As used herein, “processing” means using or accessing information in any way, including, but not limited to, collecting, storing, deleting, combining and disclosing information. Our servers are located in Johannesburg, South Africa. Accordingly, if you reside outside South Africa, by using the Services, you acknowledge and agree that your Personal Information will be transferred to South Africa, and processed and stored in South Africa. If you contact us by email through the Services, we may keep a record of your contact information and correspondence, and may use your email address, and any information that you provide to us in your message, to respond to you. In addition, we may use your contact information to market to you, and provide you with information about our products and services and the products and services of our partners that we believe may be of interest to you. If you decide at any

time that you no longer wish to receive such marketing information or communications from us, please follow the unsubscribe instructions provided in any of the communications.
